

# Château Coupe Roses Minervois

## Minervois Frémillant Rosé 2019

*Limpid peach skin. Nectarine, strawberry and a hint of honeydew melon on the highly perfumed nose. Juicy and seamless in texture, offering juicy red berry and pit fruit flavors that take on a suave floral accent as the wine opens up. Blends weight and finesse with a steady hand and finishes long and energetic, with repeating florality and lingering peachiness. This wine could pull double duty, paired with a wide range of foods or just for drinking by itself.*
