

**DEEP DOWN**  
**SAUVIGNON BLANC**

*Sourced from organic vineyards. One-third of the wine was fermented in used puncheons, and this provides a sense of roundness and relaxation to what can sometimes be an uptight variety. A fine floral scent, reminiscent of violets and honeysuckle allied with apple skin...offering precision and direction on the medium-length, chalky finish.*

**90 pts** – Rebecca Gibb, Vinous Media
