## Bourgueil “Diptyque” 2018

*The 2018 Bourgueil Diptyque is clear and spicy on the nose that leads to an elegant and refreshing palate with fine tannins and vibrant acidity. The finish is quite intense and persistent yet remains fine and fresh due to the spicy tannins. This is an excellent, dense, fleshy and structured Bourgueil for many opportunities, as long as there is meat to meet the firm tannins. The wine should refine with some time in the bottle.*
