

Château Jamard Belcour

Bordeaux

The Wines

- *Lussac Saint-Emilion*: 90% Merlot, 10% Cabernet Franc. From 13 acres growing in four parcels on one clay-limestone hillside in Lussac Saint Emilion, the northernmost of the four Saint Emilion satellites. Native ferments, élevage in underground concrete vats, no fining, a light filtration. The aromatics are rich and earthy, the flavors are full-bodied, and the profile is deliciously stately. Production averages 2,600 cases.
