

Château de Monteberiot

Côtes de Bourg

The Wine

- *Villa Jeanne*: 70% Merlot, 20% Malbec, 10% Cabernet Franc. This is Marie-Hélène and Gilles' classic cuvée and their most important wine. It comes from 7 of their 15 acres. The wine ferments in concrete, and just under half is brought up in 1-2-year-old barrels while the rest ages in concrete. No fining; just a light filtration. Production averages 1,300 cases.
