**PINE MOUNTAIN-CLOVERDALE PEAK  
SAUVIGNON BLANC  
SKIN FERMENTED**

*Grown in Pine Mountain Vineyard, on a 2800-foot peak of volcanic soils that rises above Sonoma County. The wine gets its distinctive orange color as a result of prolonged (100 days!) contact with grape skins, stems, and seeds, which also gives the wine tannin and spicy attributes.*

*Côte West is a family-run urban winery in Oakland.*
