

# CHÂTEAU JAMARD BELCOUR

## LUSSAC SAINT-EMILION

---

### **GROWING REGION:**

Lussac Saint-Emilion, Bordeaux, France.

### **GRAPES:**

90% Merlot, 10% Cabernet Franc.

### **TERROIR:**

Lussac is the northernmost of the Saint-Emilion satellites. This comes from 4 parcels of mature vines (45 year average) on one hillside of clay-limestone soils.

### **VINIFICATION NOTES:**

Native ferments in above-ground concrete vats with 12 months of aging in underground concrete vats. No fining, light filtration. 2,600 cases.

### **TASTING NOTES:**

Nose is intensely earthy and terroir-driven. With air, red and black fruits emerge with limestone lift. A full-bodied, elegant wine.
