

# Mélanie Pfister Bas-Rhin

## Macération Pinot Gris 2021

*This is pinot gris from limestone and loess soils, macerated for 15 days with the grapes skins. The wine aged in neutral oak but you may not notice, as the impression is bright and spicy. Whatever grape-skin and oak tannins there are provide an almond-scented cloak to the alcohol: those tannins feel refreshing and take the wine through a slow slide into home base. The pink grapefruit flavors make it a "rosé-adjacent wine," the fruit's clarity and stamina holding the flavors firm for days.*
