Barbaresco “Casot” 2020

Baked cherries, mingled with sweet spices and a touch of thyme, blend harmoniously with crushed rocks and stone elements. Well-structured with fine tannins and a lifted acidity, this wine delivers in all aspects. A wine to add to your collection.

Notes of tree bark and damp leaves lend an earthy tone to this wine's red-cherry and toasted-almond flavors. It shows good depth and brightness with angular tannins needing a few years to soften.
