

Azienda Agricola Nada Giuseppe Barbaresco

Langhe Nebbiolo 2021

Giuseppe Nada's 2021 Langhe Nebbiolo bottling is made from his younger vines in his Barbaresco vineyards in the township of Treiso. The wine comes in at a classic fourteen percent octane in this vintage and delivers a beautifully refined aromatic constellation of cherries, gamebird, a touch of anise, a lovely base of soil tones, fresh oregano, red curry and a topnote of bonfire. On the palate the wine is bright, full-bodied and complex, with tangy acids, fine depth at the core, good soil transparency, moderate tannins and a long, focused and nicely balanced finish. This is lovely juice that I would opt for aging three to five years before drinking, but is certainly approachable with the right food today, if given a short decant. 2023-2045+.
