

# Azienda Agricola Nada Giuseppe Barbaresco

## Metodo Classico Dosage Zero NV

*Enrico Nada's sparkling wine is made from nebbiolo, with perhaps three percent of the blend including riesling. The nebbiolo is grown in the cru of Marcarini in the township of Treiso. The wine is not vintage-dated, but hails from a single growing season and this bottling is from the vintage of 2017. The wine is given a minimum of three and a half years aging sur latte and is non-dosé. The wine has just a touch of color from its nebbiolo origins and offers up a very lovely nose of apple, apricot, white soils, brioche, gentle savory tones and a topnote of rose petals. On the palate the wine is bright, full-bodied and complex, with a good core and soil foundation, frothy mousse and good length and grip on the well balanced finish. This is certainly a quite unique wine in terms of flavor and aromatics, but it is really very well made and I could easily get used to drinking it with regularity (particularly with a well-aged bottle of Barbaresco to follow)! Good juice. 2023-2040.*
