Faugères Clos des Murettes Rosé 2022

Glistening citrus fruit on show here, with grapefruit and tangerine under the juicy notes of wild strawberry and thyme. In the mouth it's taut and mouthwatering. A blend of Syrah, Cinsault, Grenache and Mourvèdre.

Faugères Clos des Murettes Rosé 2021

The high addition of Cinsault gives a charming wild floral character with gorgeous red cherry fruit followed by a lovely potpourri of wild herbs. A fine structured rosé, equally playful and serious. Sadly volumes were lower this year due to frost. 2023-2024.
