

Les Parcelles de Saulx Meursault

Gevrey-Chambertin Les Evocelles 2021

Here too the wood treatment is subtle but not invisible on the cool, airy and elegant aromas of red currant, earth, sauvage and crushed anise scents. There is fine density and punch to the medium weight flavors that possess a sophisticated texture along with an evident bead of minerality on the delicious and sneaky long finish. This is a very fine Gevrey villages that is worth your interest.
