SAY CIAO TO OUR LABELS

We are thrilled to introduce the refreshed design of our wine portfolio, coinciding with the release of the latest Chianti Classico vintages. Our aim is to streamline the visual identity of our wines, making it simpler and more intuitive for consumers to identify and appreciate each wine, allowing the unique qualities of each wine to shine through.

ELEVATING THE INDIVIDUALITY OF CHIANTI CLASSICO WINES

Every wine in our collection now boasts a distinctive name and colour that mirrors its unique terroir, grape variety, or vinification process. This deliberate choice emphasizes the presence of both a person and a place behind every bottle. The label on the back narrates the specific characteristics of each wine, further enhancing the connection between the consumer and the product. Rest assured, the unwavering commitment to quality remains unchanged, and the meticulous craftsmanship from grape to bottle continues to ensure excellence.

THE DESIGN

TERRENO
CHIANTI CLASSICO

TERRENO CHIANTI CLASSICO LE TRE VIGNE DOCG

Our Chianti Classico Le Tre Vigne is the pillar upon which the rest of our collection rests. This wine has the vital task of conveying Terreno's deep roots in Chianti Classico, which it achieves with humble simplicity despite its strong character. The grapes are sourced from three different vineyards, Le Tre Vigne, with different exposures, soils and altitudes.

TERRENO CHIANTI CLASSICO RISERVA LE BONILLE DI SOPRA DOCG

Our Chianti Classico Riserva is a selection of our best grapes grown in our vineyard Le Bonille di Sopra. Our Riserva is a homage to the art of blending; here together with sangiovese we blend colorino and cabernet sauvignon. The vines grow together on handmade terraces overlooking the Greve valley. A traditional and structured Chianti Classico Riserva.

TERRENO CHIANTI CLASSICO GRAN SELEZIONE SILLANO DOCG

Our single vineyard Chianti Classico Gran Selezione Sillano is a unique cru made from grapes grown at 500 meters above sea level. The cooler climate and the calcareous soil provide Sangiovese grapes of excellent quality. We obtain a vertically structured wine combining nerve and finesse.

TERRENO CHIANTI CLASSICO GRAN SELEZIONE ASOFIA DOCG

Chianti Classico Gran Selezione ASofia is our single vineyard obtained from the oldest vineyard, planted at the beginning of the 80s. This cru is produced only in the best vintages and in limited edition. ASofia collects the elegance and the personality of the most nuanced wines in Chianti Classico and ages with grace.
