Sonny Boy 2021

The Merlot-dominated 2021 Sonny Boy (80% Merlot and 20% Cabernet Sauvignon) is upfront and charming, with some currant and assorted darker berry fruits as well as leafy herb, sage, and floral nuances. It's nicely balanced, medium-bodied, has fine tannins, and a great finish. Drink this upfront, approachable, light-on-its-feet Merlot over the coming 7-8 years or more.

Sonny Boy 2020

The 2020 Sonny Boy, Ryan Deovlet's Merlot/Cabernet Sauvignon co-fermented blend, is fabulous. It offers up an exciting mélange of bright red/purplish fruit along with hints of bay leaf, herbs, rose petal, mint and lavender. Effusive and super-expressive, Sonny Boy is a winner. It spent 15 months in 500L barrels, 33% new. This jewel of a wine is all finesse. Lovers of old school California take note.
