

# Benjamin Serer Vouvray

## Vouvray La Tradition Méthode Traditionnelle 2022

*Benjamin Serer's 2022 sparkling Vouvray is quite lovely, with the bouquet wafting from the glass in a mix of lemon, a touch of quince, breadfruit, chalky minerality, bread dough and a topnote of dried flowers. On the palate the wine is bright, brisk, full-bodied and frothy, with a good core of fruit, fine mineral drive and grip, pinpoint bubbles and a long, complex and very nicely balanced, youthful finish. This is quite lovely out of the blocks, but like so many top flight sparkling Vouvrays, it will be even better with some bottle age. 2024-2045+.*
