## Touraine

### **Touraine Blanc 2022**

*This is a delightful Sauvignon Blanc worthy of notice. An aromatically-complex nose brings white nectarine, golden apple, graphite, white blossom, Fuji apple and quince to the fore. The slightly-velvety palate brings out dried grass and forest floor which complements the orchard fruit core. A lovely wine.*

### **Touraine Rouge 2022**

*This is a wine for those who adore classic Loire terroir. Perfumed aromas of bruised black raspberries and pencil shavings hug each other on the nose standing on a bed of fresh black cherries, black tea and forest floor. The palate replicates the nose with layers of dried hay and fruit that are saturated and complex.*
