

# Domaine Merlin Cherrier

## Sancerre

---

### Sancerre “Grand Chemarin” 2022

*This wine will impress the seasoned wine lover as well as the wine newbie at your table. The wine begins with a freshly-baked brioche-filled nose that evolves into baked green apple, yogurt, ripe green pear and honeysuckle jam. Slightly-creamy in texture with a healthy acid structure, it has well-balanced elements of development and freshness. The elegant wine begs for repeated sips.*
