### Châteauneuf-du-Pape rouge 2022

*The 2022 Chateauneuf du Pape from Domaine de Saje is fresher than the 1600 cuvée, evoking aromas of dark cherries, lilac, violets and dark wild berries. Medium to full-bodied, round and enrobing, it's layered with structured tannins and a long, elegantly floral finish. This blend of 80% Grenache Noir, 7% Syrah, 5% Mourvèdre and the rest of several authorized varieties is a classic [emphasis added].*

*Coming in at 15.3% alcohol, the 2022 Châteauneuf du-Pape spent 13 months in foudres. The result is a full-bodied, inviting red with a complex aromatic profile. Strawberry, spice box, thyme and minty shadings are all nicely delineated. Polished and harmonious, the highly enjoyable 2022 will drink well from early on.*
