

Champagne Perrine Fresne

Sermiers

Sarmate I NV

NV Champagne Premier Cru Sermiers Sarmate I Extra Brut is mainly from the 2020 vintage with the addition of 30% from the estate's perpetual reserve. Boasting a copper/golden hue, the nose is savory with a brothy feel and aromas of ripe golden plum, poached citrus, yellow flowers, and wet stones. The palate is medium-bodied, with a solid core of ripe concentration, a pithy texture, a subtle mousse, and a salty finish. It's prime for drinking now or over the coming 3-5 years.

The current release of Perrine Fresne "Sarmate" non-vintage Extra Brut is from the base year of 2020... it delivers a lovely bouquet of white peach, apple, chalky soil tones, bread dough, a touch of raw almond and a topnote of dried flowers. On the palate the wine is deep, full-bodied and impressively precise, with a fine core of fruit, lovely soil signature and focus, elegant mousse and a long, complex and beautifully balanced finish. This is first class non-vintage Extra Brut! Most impressive. 2023-2040+.
