Bas-Rhin

Pinot Noir Hüt 2022

The dry forest floor and rooty aromas are the first things you get on the nose and they stay with you all the way to the finish, where they hang for an eternity. What extraordinarily fine tannins this Alsace pinot masterpiece has on the very graceful medium-bodied palate. Stunning freshness in the finish. From a warm site, which has to be picked quite early. Only the sixth vintage of this wine. From organically grown grapes with Fair'n Green certification. Matured with zero new oak. Drink or hold.
