

Deep Down Wines Marlborough

Marlborough Sauvignon Blanc 2023

A super Marlborough Sauv. Sourced from Murrays Vineyard, and spends some time in old oak – but this is still a bright and fresh Marlborough Sauv. Passion fruit, hay, guava and extravagant spice. It's still super fresh, linear, and beautifully fruity with this fresh-cut melon/peach juiciness and yet a steely dry backbone. Less wild this vintage, but no less exotic, it tastes so much more extravagant and ultimately delicious than Marlborough should. Super acidity! Still so fresh, when some '23 NZ Sauv is starting to look broader.

18/20 pts, 93/100 pts– Andrew Graham, Australian Wine and Drinks Review, November 2024

Some development on the nose, floral honeyed aromas with nutty complexity which continues onto the palate. Tight, refreshing acidity with a mineral drive accompanies very fine phenolics through the weighty, textural palate. Intense flavours are carried by the acid through to a firmly savoury and gravelly dry finish.
