

LES PARCELLAIRES DE SAULX CHAMBOLLE-MUSIGNY

1ER CRU LES FEUSSELOTTES

Les Parcellaires de Saulx is a small *maison de vins* going back to 1908. Native Burgundian Isabelle Laurand has been the cellarmaster since the turn of the century. She has a strict focus on single-site wines from single producers, all of whom she knows on a first-name basis, and unlike traditional *négociants*, she doesn't blend.

Her focus is on organic, biodynamic and conscientiously sustainable growers. Every wine is raised in predominantly older wood to let its fruit and soil notes shine, and for most only a handful of barrels are produced.

VINEYARD

- Site:** Located in the heart of the Chambolle commune, the vines grow in a slight dip in the land. *Feusselot* is a diminutive of the Burgundian word *fosse* for pit: the name of the hamlet, Feusselottes, means *the little pits*.
- Soil:** Soils are red, silty and shallow with a high proportion of limestone.
- Vines:** Old: planted in 1980.
- Varieties:** Pinot Noir.

CELLAR

- Vinification & Aging:** Aged 12-15 months in predominantly older wood.
- Production:** Only two barrels: 100 six-packs.
- Profile:** A wine of fine tannins and terrific mineral cut with a remarkable balance between strength and finesse. Great aging potential.
-
