

LES PARCELLAIRES DE SAULX VOSNE-ROMANÉE

Les Parcellaires de Saulx is a small *maison de vins* going back to 1908. Native Burgundian Isabelle Laurand has been the cellarmaster since the turn of the century. She has a strict focus on single-site wines from single producers, all of whom she knows on a first-name basis, and unlike traditional *négociants*, she doesn't blend.

Her focus is on organic, biodynamic and conscientiously sustainable growers. Every wine is raised in predominantly older wood to let its fruit and soil notes shine, and for most only a handful of barrels are produced.
