

# Domaine Sylvaine & Alain Normand Maçonnais

## Mâcon La Roche Vineuse 2023

*The 2023 Mâcon La Roche Vineuse from Sylvaine and Alain Normand is a lovely wine. Alain ferments this wine with native yeasts and raises it in stainless steel tanks. The wine offers up a bright and complex bouquet of apple, nectarine, chalky soil tones, a nice touch of almond and a topnote of dried flowers. On the palate the wine is bright, deep and full-bodied, with a good core of fruit, fine soil signature, zesty acids and a long, well balanced and complex finish. This is a very good bottle of Mâcon. 2025-2030+*
