

Mas d'Amile Terrasses du Larzac

Le Clos 2022

Tonic, young, and dense, still a little reserved, the 2022 Terrasses Du Larzac Le Clos is still developing its amplitude. A blend of 40% Mourvèdre, 30% Grenache Noir, and 30% Syrah aged for 18 months in 600-liter barrels, the fruitiness is already apparent, with blueberry, raspberry, and blackberry accompanied by spices and floral notes, which intertwine with the freshness and velvety tannins. Perfectly structured, with well-integrated woody notes, its texture is quite tight while remaining inspiringly juicy. This red wine has great potential and shines with its balance but will be even better two years from now. If you don't want to wait, decant it. Drink 2027-2035.
