

Benjamin Serer Vouvray

Vouvray Les Trois Chênes 2023

Crafted from vines rooted in clay, limestone and silex soils, the 2023 Vouvray Les Trois Chênes is lovely, opening with aromas of confit citrus, ripe orchard fruits, pear and sweet spice. Medium- to full-bodied, it's satiny and seamless, with a generous attack, an enveloping mid-palate and a long, flinty finish.
