Sparkling Blanc de Blanc Extra Brut 2020

This elegant blanc de blanc, made entirely from chardonnay, is like drinking a cloud. It's dry, delicate and perhaps a bit austere, like an icy martini, but it would be perfect as an aperitif or with a shrimp cocktail. Limnad is a sparkling wine label from Nancy Ireland of Red Tail Ridge, the excellent Finger Lakes producer.

The super-fresh crisp pear aromas leap out at you and are closely followed by a layer of delicate lees. Wonderful freshness and polish on the barely medium-bodied palate. Long, very elegant finish with a tingling mousse. Disgorged spring 2025. Drink or hold.

Sparkling Blanc de Noir Extra Brut 2020

The way that the berry fruit is interwoven with the deep leesy creaminess and very elegant acidity is compelling. Then comes the extremely long, silky finish with delicate baking spice flavors. Disgorged spring 2025. Drink or hold.
