Heceta White 2024

The 2024 Heceta White is an unusual blend of Gruner Veltliner (47%), Riesling (19%) and smaller portions of Pinot Blanc, Gewürztraminer and Sauvignon Blanc. Varieties were harvested and fermented separately in barrel before five months' maturation in used oak. It has layered aromas of stone and tropical fruit, elderflower, green herbs and musky floral perfume. The lightbodied palate offers expressive, mouth-coating flavors. A touch of residual sugar balances its tangy acidity, and it has a long, floral finish. 230 cases were made.

90 pts– Erin Brooks, The Wine Advocate, October 2025

The 2024 Hecceta White mixes mint leaf with yellow apples and a tart lime twist. A pretty inner sweetness emerges on the nose, contrasted by tart citrus tones and green apple fruit. The palate maintains fantastic energy through a long and potent finish as a bump of residual acidity cleanses the palate and a hint of Meyer lemon fades.

92 pts– Eric Guido, Vinous Media, July 2025

A blend that changes a little bit every year. Mostly Gruner for 2024, Riesling, Pinot Blanc, Gewurtz, Sauvignon Blanc. It spends five months in neutral oak, all native yeasts resulting in a fresh and floral wine, with ginger, wet stone, and salt aromas. The palate offers tart elements like lemon zest that play well with tropical notes, guava, pineapple and ripe mangoes.

93 pts– Clive Pursehouse, Decanter Accolades 2025, May 2025
