### Picpoul de Pinet 2024

*Slim, trim, trilling with bird-like energy and prettiness and lightness. White flowers and white citrus, as aromatic as molle leaves and grapefruit peel, crimped with lemon-pith bitterness. Little quinine kink in the finish, and white pepper. Benchmark Picpoul.*

*Light lemon in color, this pure Piquepoul Blanc was aged in stainless steel vats and displays a delicate purity. The 2024 Picpoul De Pinet Château Petit Roubié Blanc is lemony and salty, with notes of bitter almond, flowers, and white stone fruit. Tense, refined, bright, and invigorating, it is unpretentious, simple, and nuanced, with great precision and a slightly phenolic finish. A white wine that can undoubtedly be described as mineral, enjoy its refreshing purity. Drink 2025-2030.*
