Crémant d'Alsace Breit 2023

The NV Extra Brut Crémant d'Alsace Blanc de Blancs Breit, based on the 2023 vintage, was disgorged in November 2025. It is the usual blend of Chardonnay, Pinot Blanc and Auxerrois with 20 months on lees and a dosage of 2.8 grams per liter. Ripe, aromatic pear, almost like poire William, is inviting on the nose. The sprightly mousse is frothy and fresh with a light, easy body and plenty of freshness leavening the fruit. (Bone-dry)
