VINEYARD NOTES

Established in 1982 by Dan and Helen Dusschee and now tended by their son Dustin, the iconic Freedom Hill Vineyard stands as a testament to sustainable stewardship. Tucked into the gentle southeast slope of an uplifted, ancient sedimentary seabed in the Coastal Range, this site is shielded from the Van Duzer wind, resulting in a slightly warmer microclimate compared to the neighboring Eola-Amity Hills.

Freedom Hill's distinguished terroir is highlighted in the new Mt. Pisgah, Polk County AVA within the expansive Willamette Valley. From this exceptional vineyard, we source four Pinot Noir blocks of Pommard, Wadenswill, Dijon 115 and Dijon 777, which are all picked and co-fermented together.
