

PRODUCTION	<i>811 cases</i>
VINEYARDS	<i>Freedom Hill Vineyard, Sojeau Vineyard Witness Tree Vineyard, X.Novo Vineyard</i>
SOIL	<i>Volcanic & Marine Sedimentary</i>
FARMING	<i>Organic</i>
INGREDIENTS	<i>100% Pinot noir grapes, SO₂</i>
WHOLE CLUSTER	<i>20%</i>
YEAST	<i>Ambient</i>
FRENCH OAK	<i>Aged in 228L barrels for 10 months. 40% new oak</i>
MALOLACTIC	<i>100% Complete</i>
FINISHING	<i>Unfined/Unfiltered</i>

VINEYARD NOTES

At Walter Scott, we embrace the wisdom of Burgundy's legendary importer Becky Wasserman, who famously said, 'You can always judge a great domaine by the quality of their Bourgogne bottling.' Inspired by this ethos, we pour the same passion into our Willamette Valley wines as we do into our single vineyard selections.

Translating to 'The Green Fault' or 'The Green Valley,' La Combe Verte pays homage to the lush landscapes of the Willamette Valley and our cherished friends at Patricia Green Cellars, the incubator for the fledgling Walter Scott first vintage.

The 2024 La Combe Verte blends the elegant, volcanic soils of Eola-Amity with the powerful, marine sedimentary expression of Freedom Hill Vineyard, crafting wines that embody strength, grace, and our deep-rooted commitment to excellence.
