Château Haut-La Péreyre
Haut-Benauge

Bordeaux Supérieur 2022

A blackberry fruit aroma and generous crushed black currant flavors give this wine a juicy, generous feel. It is structured, the tannins buried in the juicy fruit. Drink from 2026.

91 pts- Roger Voss, Best Buy, The Wine Enthusiast, June 2025

Deep ruby/plum-hued, the 2022 Château Haut-La Pereyre reveals sweet black cherries, currants, spicy wood, and chocolaty, cedar pencil-like nuances. It's medium-bodied, with a nicely balanced, textured mouthfeel, integrated tannins, and a good finish. This complex, nuanced, satisfying effort will drink well over the coming 7-8 years.

88 pts- Jeb Dunnuck, September 2025

Raspberries, redcurrants and bay leaves on the nose of this fresh and fruity red. It's medium-bodied, bright and crunchy, with lightly chalky tannins. Drink from 2026.

Bordeaux Supérieur 2020

The 2020 Château Haut-La Pereyre showed consistently, with a charming red and blue-fruited, floral, spicy character as well as medium-bodied richness and depth on the palate. Its tannins are slightly more present today, and it should keep through 2030 with ease.

88 pts- Jeb Dunnuck, August 2024

The Cailleux family estate, now partially organic, has given us a balanced, smoky wine. Its ripe black fruits are still young, offering acidity and a succulent character. The wine is going to be ready from 2026.
