

Champagne Roger Coulon Vrigny

Rosélie Rosé de Saignée NV

Sourced from old vines in Vrigny, produced entirely from the 2022 vintage and disgorged in July 2024 without dosage, the NV Rosé de Saignée Rosélie unfurls from the glass with aromas of raspberry, cherry and licorice. Medium- to full-bodied, rich, and textural, it is laden with ripe acids, while the gently bitter phenolics of Pinot Meunier assert themselves on the long finish.
