

Château Marie Plaisance Bergerac

Bêêêrgerac Sec 2025

Neroli and lemon oil, blackcurrant bud and elderflower on the nose – fragrant and overtly friendly and enthusiastic. Ripe and robust and so frankly energising! It is a mosh pit of joyous fruit and herbs. Blackberries and bitter orange bouncing around while waving fennel feather flags, crunching on green apples and handing out home-brew nettle tea laced with lemon. This family are doing an awesome job of bridging the gap between traditional and modern Bergerac, and they just make the most delicious wines.
