From the legendary

ALTA HEIGHTS PRESENTS

SANTA CRUZ MTNS AVA COASTAL ORGANIC & BIODYNAMIC

PINOT NOIR

Peak Vibrancy and Verve!

2024

Grown in the California Alpine vineyards of the Santa Cruz Mountains AVA. At 1,200' to 1,490' elevation, vines sit above the fog line; sunny days and cool nights drive slow ripening, high acidity, and big aromatics. California heritage "suitcase" selections (Calera, Swan) deliver a throwback Pinot Noir - **vibrant**, **lifted,** and **nervy,** with wild blackberry and tart blood orange, fresh mountain herbs, and a deep alpine-coastal intensity that makes this Pinot impossible to ignore.

We are committed to quality as uncompromising as the mountains themselves: grown organically and biodynamically, fermented natively, no additives or adjustments, aged 18 months in older French oak, and bottled unfiltered.

TASTE!

California Alpine Pinot - Mountain concentration meets Coastal Freshness.

Dark cherry, raspberry vine, violet, santa rosa plum, warm spices, and wild mint.

92 pts, Vinous, **Vinous Favorite**

Site: Santa Cruz Mountains AVA

Farming: Organic, Biodynamic

Vines: California Heritage Selections

Aging: 18 months in neutral French oak

Style: Vibrant, Textural, Nervy

Tech: 13.5% ABV, 6.0 TA, 3.7 pH

ABOUT ALTA HEIGHTS

A love letter to the mountain frontiers of California and the spirit of exploration. A true departure from the valley floor wines that flood the shelves, Alta Heights captures the rugged beauty and relentless spirit of the California Alpine mountains, with organically grown, naturally fermented, handcrafted wines of peak vibrancy and verve.
