Touraine Blanc 2025

The 2025 "Terres de l'Aumonier" from Sophie and Thierry Chardon is a beautiful bottle of Sauvignon Blanc and fully underscores just how extraordinary this vintage is for the white wines of the Touraine. The wine offers up a deep and vibrant bouquet of lime, green apple, gooseberry, gentle notes of grassiness, a lovely base of chalky soil and a topnote of fruit blossoms. On the palate the wine is bright, full-bodied and succulent at the core, with a lovely foundation of soil, excellent acids and grip and a long, complex and impeccably balanced finish. ***This is a simply great value!*** *[emphasis added] 2026-2031.*
