Grüner Veltliner 2024

60% Illahe vineyard and 40% Holmes Hill vineyard. Fruit is direct-pressed. The juice is hyperoxidised before being splashed into tank, chilled, and oxidised for a few more days. The juice is then racked off the lees and phenolics and put into neutral barrel for fermentation. Aged 11 months in neutral oak.

Medium lemon. Lemon-drizzle cake and pungent oily lemon rind with subtle radish and a heap of crushed stone. Lovely texture. Balanced, mouth-watering acidity. Quite lengthy. ***GV***
